

## Robidart Honored by Company; Juliet's Birthday Observed

On Monday, July 2, two hundred festive guests crowded the Centro Basco hotel to celebrate John Robidart's thirty-second anniversary as an agent with the Occidental Life Insurance Company and the fourteenth birthday of his daughter, Juliet.

Guests, both young and old, report a satisfying evening of dining and dancing. The traditional Basque barbecue of lamb was served and Jim Ruppi's orchestra from Puente played for the dancing.

Carl De Vries, General Manager of Occidental Life for the Los Angeles area and honored guest for the evening, informed the group that since coming to Chino in 1939, Mr. Robidart has taken care of a lot of insurance problems and earned an enviable position of trustworthiness among his clientele.

He also reported that Mr. Robidart's sales for the past year placed him in the top category, a position which few company agents reach.
