MR. AND MRS. FRANK H. BINNEY  
... planning islands tour

LAGUNA WEDDING  
Frank H. Binney Weds  
Josephine I. Pilario

San Bernardino friends of the Frank H. Binney family will be interested in news of his marriage in Laguna Beach to Josephine I. Pilario, also of that beach city.

The event highlighted the annual family reunion of Binney's 25 grandchildren, with members of the family coming from New York, Maryland, Missouri, Sacramento and San Diego.

Frank H. Binney Jr. served as best man and Mrs. William Locke was matron of honor.

A music program by the Ocean Frontiers in a 1959 Bay window of the structure housed here provided the background setting for the rites read by Rev. John H. Bremer of St. Mary's Episcopal Church.

Music played in the wedding and during the reception was provided by Clifford "Toby" Ingram. Her program included "Chorus of Girls," "Dinner on," "Chair de Lune," "Seduction from Frank," "My Darling is," "I Love You Truly" and "The March."

Friends of the bride from La Puente enjoyed the beautiful decorations of white blooms and pink rose buds. Confetti and candies were flung in the westering wind at 10:45.

Following the ceremony, a buffet supper was served the family and some friends who gathered for the reception by Mrs. Carter, Director of Walnut Branch of the bride.

Other guests giving the reception were Mrs. Margaret Flaxton, Susan Martin, Jan Bank, Blake Beach, Phyllis, Phyllis, Mrs. Conner and her husband.

A party for the younger generation of children was planned at Laguna Beach, where the bride and groom made an appearance to cut a special wedding cake before returning to the main reception.

The Binneys are planning a distant wedding trip to the South Pacific Islands during the latter. They will maintain homes at 1885 Ocean Way, Laguna Beach, and at 107 W. 210 St., San Bernardino.

Both Mr. and Mrs. Binney are collections of several grandchildren. Mrs. Binney has two

daughters in Laguna Beach across the street from the Binney home where the family has spent the past 18 summers.

Mrs. Binney was active for many years in connection with her father, Joseph D. Binney, and following his death in 1936, she continued to work until 1942, when she retired to Laguna Beach.

During her life in La Puente Valley, Mrs. Binney was affiliated with the Walnut Valley Water District to serve the Walnut area with water.

Binney, president of Stockwell & Binney, is a member of the board of directors of the American National Bank and Trust Co. (former Shreve & Lane) and is past president of Rotary and Chamber of Commerce.
