JOHN ERIBARNE

November 8, 1925 - June 11, 2022

Our Dad, John Eribarne was born in Bakersfield CA where he was a welder for over 40 years before retiring. He was a proud member of the Plumbers and Steamfitters Local 460 for over 50 years.

Besides his family, Dad loved Nascar, dancing and cruising his dune buggy. In his younger days he enjoyed hanging with his Basque family at The Pyrenees and Noriega's. Dad had a kind heart and loved life. He made the most of every day and will be deeply missed. We love you dad.

Dad was preceded in death by his parents Jean Baptiste and Suzy Eribarne, son Johnny, siblings Arnold, Rocky and Josephine and granddaughter Dejohnna. He is survived by his son Richard, daughters Janis and Susan, grandchildren Nicole, Danny, Kami, Heather, Richard, and Janelle, great-grandchildren, great-great-grandchildren and many nieces, nephews and cousins.

Special thanks to the nurses and staff at Height Street Skilled Nursing Facility for taking care of our dad.

Graveside services will be held at Greenlawn Southwest on July 5 at 10:00am.
