

DEATH CLAIMS JOHN ANTCHAGNO

John Marcus Antchagno died yesterday after an illness of about a month. Death was due to an abcess of the liver and the disease had so far advanced that no medical help could save him. He was a native of France and came to this valley about twelve years ago and at the time of his death was 35 years and 2 months of age. A wife and three children survive him besides four brothers, being Martin of this valley, Juanita, Bernardo and Ferdinand of Nevada.

The funeral takes place this morning from the St. Mary's Catholic church, Rev. Father Coen officiating. The funeral procession leaves the T. A. Jones & Sons undertaking parlors at 9:45 a. m.

John Antchagno was an industrious and hardworking young man. He made and had many friends who sincerely regret his untimely departure and to the heartbroken widow as well as the bereaved brothers are extended the sympathy of all who knew him.
