

# MOTHER ENDS HER LIFE BY HANGING

Long Illness of Young Son  
and Loss of House By  
Fire Blamed

SANTA BARBARA, March 23.  
—(P)—Mrs. Mary Ardantz, 39,  
hanged herself by strips of table  
cloth in her husband's barn at  
Garey, in Santa Maria valley last  
night. The body was discovered  
by Mrs. Ardantz' 16-year-old son.  
The long illness of another  
young son and the family's loss  
of a house by fire a short time  
ago are said to have contributed  
to her despondency.
