In Catholic
Service

Relatives and close friends were guests at a wedding ceremony at St. Joseph's Catholic church Saturday afternoon at 3 o'clock, when Miss Victoria Monleon, daughter of Ramon Monleon, 517 Valley boulevard, Puente, became the bride of Bernard Maschio, son of Mr. and Mrs. John Maschio, 1060 S. Garey avenue.

Father Jerome C. O'Neil officiated.

The bride's gown was of white crepe satin, princess style, worn with a long veil. She carried a bouquet of white roses and lily-of-the-valley. She was given in marriage by her father.

Mousseline de Soie

Assisting as maid of honor was her sister, Miss Rosie Monleon of Puente, wearing pale blue mousseline de soie over blue taffeta. Her flowers were sweet peas and gardenias. The little flower girl was Lucille Tolosa of Puente, niece of the bride, in a frock of pink taffeta. Genie Tolosa, nephew of the bride, was the ring bearer.

Con Gonzales of Pomona, brother-in-law of the bridegroom, served as best man.

Filbert Quiroz, organist at the church, provided appropriate wedding music.

Following the ceremony, a dinner was served to 150 persons at the American Legion hall in LaVerne. Additional guests came for a reception later in the evening, and at that time the bride and bridegroom cut the first slice from the huge, three-tiered wedding cake. Dancing was enjoyed.

Month's Trip Planned

Mr. and Mrs. Maschio then departed on their wedding trip, planning to be away a month. They will visit Yosemite national park, and San Francisco and continue north thru Oregon, Washington and into Canada, returning home via Salt Lake City. They will be at home in Pomona after October 1.

For her traveling costume the bride chose a navy blue gabardine suit with matching accessories and a blouse of pale pink fabric, worn with a corsage of gardenias.

The bride attended Puente grammar and high school and was graduated with the class of 1934. Mr. Maschio received his schooling in Pomona, completing his high school course with the class of 1931. He is employed by the General Machine and Welding Works.
